TWO LEFT FEET®

Bugaboo, the Dutch mobility design brand have taken a step further inside the doors of the 26,000 square foot showroom of **Two Left Feet**, by introducing an all new and innovative display area, the first for Bugaboo in the UK. Customers will now be able to view all the Bugaboo pushchairs and accessories in one dedicated Bugaboo space.

Bugaboo's U.K. and Ireland marketing manager Tim Sollis commented "Bugaboo products are so versatile and multi-functional, in store display helps the retailer and the consumer to grasp the complete scope of possibilities at once and in an attractive, exciting and useful way."
